A NEIGHBORHOOD NEWS, INC.
PUBLICATION

Looking for a New Newsletter Editor

Since its inception, the editor position for the Meadowlark has been filled by a resident of Oak Meadow who volunteers time monthly to collect input from the three groups, OM Swim Club, OM Woman's Club, and OM HOA, who pay to have the monthly publication delivered to you. I'm moving from Oak Meadow, so it's time to 'pass the baton'.

If you would consider coordinating or helping with the Meadowlark or any of the following, please contact me for a conversation.

Each could be managed by one person or a team. One person could manage one or more 'publications'. Records of past content are available.

If no one steps up for any one of these, it will become inactive.

- Meadowlark, our monthly newsletter
 - o Collect articles/ideas from the three sponsoring clubs
 - o Collaborate with the print layout coordinator at Neighborhood News on newsletter design and content
 - o Monitor deadlines and encourage OM writers and publisher staff to meet them
 - o You will have the opportunity to fill the additional space or have it filled by the publisher.

The publisher maintains a library of seasonal articles you may select from or leave the choice to them.

May's Hike is not a hike.

I found a 'cool' spot to visit

I have booked an excursion to do a tour of the CAVE WITHOUT A NAME in Boerne, TX at 10 am on May 25th. I have booked a group of 10 people. When we arrive there each person has to pay for themselves. It's \$22 for Adults, \$11 for children, and \$20 for Senior Citizens over 65. We can meet in the OM pool Parking lot by 8:45 am to car pool or follow each other there.

Summers are really hot in Texas but a guided tour at Cave Without A Name is cool in so many ways. As you descend into the cave, the air grows cooler by the step. Some ninety feet under earth's surface, you enjoy nature's natural air conditioner. The year round temperature in the cave is 66°!

Please RSVP to Julie to hold your spot in the reservations. If we get more than 10 interested I will call the venue to see if there is still room for more. Their tour capacity limit is 25 people so RSVP ASAP.

Thank you,

Julie Niemann

Swim Team News

The Oak Meadow Stingrays are excited for a new season! Registration is currently open at oakmeadowstingrays.swimtopia.com. All kids who will be 5 to 18 years old on June 1 are eligible to swim with us.* During registration you will be prompted to sign up to volunteer. Swim meets require many hands, and I thank you in advance for eagerly stepping up to support our team. It would be impossible for our children to participate in the summer league without volunteers. Our first day of afternoon practice will be Monday, May 13. Morning practice begins Monday, June 3, the first day of summer break for NEISD. If your swimmer is unable to attend morning practice, we offer evening practices on Tuesdays and Thursdays. There are four regular season meets and a championship meet, all in June. Please visit our website to register your Stingray and for more information on practice times and other Stingray news.

*Your littlest Stingrays should be able or nearly able to swim independently across half the length of the pool in order for this to be a positive experience for them. Please reach out to me with any questions.

OM Swim Club's Fiesta in the Meadow Fundraiser

VIVA FIESTA!!!!!! OLE!!!!

The Oak Meadow Community really knows how to party! There was lots of food, vendors, friends, and fun. We had a wonderful time. Thank you, Swim Club, for allowing us to be a part of this event.

NEW SIDE GROUP IT'S A COOKING CLUB!

Debbie Meurer and Lisa Connors launched their first ever film on April 27th. The members of the side group prepared a Fiesta themed dish and the recipe to share. The cooking club is not just for women, so you men in Oak Meadow can show off your cooking skills as well. There were twelve in attendance this time around and we hope it will grow, I was not able to attend because of Fiesta in the Medow. But I understand that the food was excellent, and no one left hungry. Yummy!!

Besides being fun, learn new techniques, learn how to use different ingredients, and maybe some short cuts that you have not tried.

If you are interested in this side group, contact Lisa Connors at 254-258-0169.
