The Latest on Northern Hills

It's already that time of year that we need to begin our Spring cleaning. The first step is to look around and see what needs to be placed on our "to do" list. For most of us it includes the yard, garage, closets, other storage locations, etc. A smart plan is to focus on only one specific area at a time. If not, it's easy to become overwhelmed. Some good news is that we will have an opportunity to get rid of a lot of unneeded "stuff" at our May 3rd Neighborhood Garage Sale and our May 10th Neighborhood Clean Up Day. We should donate to Goodwill, Salvation Army, and other charities those items that are too valuable to throw away. Please call our Garage Sale and Clean Up Manager **Kathy Green** at **210-627-0153** to learn more about these events.

Another item for the "to do" list is disaster preparation. Both SAWS and CPS regularly remind us that we need to plan for possible utility interruptions due to flooding, strong winds, freezing or ultra hot temperatures, fires, street repairs, and more. Do you have a working flashlight, extra stored food and water, or remember where you left the car and house keys? At the top of the list must also be emergency contact phone numbers and the numbers of our nearby neighbors. They need to be warned of various incidents, and our elderly residents must be called to make sure they are safe.

Other actions we should plan for include protecting important documents and items, such as titles, wills, medical records, passports, checkbooks, and cash. Likewise, we must be prepared to evacuate our homes in the event of a serious incident. Think about the people in those California wildfire locations, and what they forgot to take with them.

At the last NHHA General Meeting, our SAFFE Officer **Greg Warrington** explained additional actions we should take to protect our homes, family members, and neighbors. They included making sure emergency responders can quickly locate a specific house because the street numbers can be clearly seen on the front and back of the homes. He reminded us that we should have secure locks on our doors and windows, good night lighting, and security cameras. He also encouraged us to park our vehicles in the garage and not on the street and warned us about the growing trend of "porch pirates" who cruise behind

delivery trucks and steal packages left on the doorstep. One of the best solutions to these problems is to have all the neighbors on the lookout and report any suspicious activities. He encouraged residents to become active members of the Citizens On Patrol program. You can call our COP Manager **Pam Hays** at **210-865-1224** for more information about this great neighborhood security program.

We hope all of you received the 2025 NHHA Membership letter from our Membership Secretary **Carol Garza**. If not, you can call her at **210-410-5254**. She included in her letter a list of how our annual NHHA dues of only \$50 are spent on important programs and projects including neighborhood clean-up and beautification, COP, this neighborhood newsletter, the NH website, our great scholarship program, and much more. It's surprising to learn how much more other neighborhoods charge for their homeowners association dues. We are very lucky to have so many volunteers who run our programs. Their devoted efforts keep our dues at a very low rate. THANK YOU volunteers!

Among our volunteers are our Area Representatives listed on page 2 of this newsletter. Please get to know them and keep them informed of both good and bad news in your area of our neighborhood. They write those reports we get to read in the newsletter and on our website, provide NH Welcome Packets to new residents, distribute event notification flyers, and they warn our SAFFE Officer and the NHHA Board of specific security issues. We are looking for new Area Representatives for Areas 3 and 6. Please call our Area Reps Director **Alicia Weber** at **210-383-1576** if you would like to volunteer for one of these positions.

Let's remember to mark our busy calendars for the next NHHA General Meeting on Tuesday, May 20th, 6:30 p.m. at the NE Senior Center, and thanks again for your support of our neighborhood.

HOCKLEY-CLAY CEMETERY EVENT HELD IN NORTHERN HILLS

A City of San Antonio Dream Week event highlighting the Hockley-Clay Cemetery in Northern Hills (below photo) was held in late January at the Northern Hills Elementary School and on cemetery grounds. Those attending included Hockley and Clay family members, District 10 Councilman Marc Whyte, NHHA Treasurer and Area 7 Representative Jasmine Meme, NHHA President Mike Gallagher, and other residents of Northern Hills. They received briefings on the history of the cemetery, the City's Historic Preservation Programs by Dr. Gloria Colom Brana, Dr. Charles Gentry, City Archaeologist Mathew Elverson, and event organizer Everett Fly. Northern Hills resident Mike Wright was recognized for his research efforts which led to the historic designation of the cemetery.

OVERSIZED VEHICLE PARKING

By Ray Blankenburg

From time to time, we see campers and motorhomes parked on our streets. The city ordinance under section 35-370, Residential Oversized Vehicles and Recreational Vehicle Parking Exceptions states "Trip preparation time shall be limited to a maximum of 48 hours prior to use and 24 hours after use twice within any calendar month". You may wonder how they established 48 hours. The refrigerator in most recreational vehicles is not the same as our home refrigerator. It takes close to 48 hours from the time it's plugged in to reach maximum operating temperature. If you see someone who is abusing this privilege, please call 311, call our SAFFE Officer Greg Warrington at 210-207-8350.

AREA — NEWS

Area 1: Helen Fesler, 210-656-4644

In the middle of the icy windy days, some of us had to wonder if summer is that bad! Don't forget when walking dogs to pick up after your dog. Also, be aware and walk away so there will not be any avoidable accidents with people or dogs. Someone suggested painting the frequent speed humps to be easier on our cars. If you have any other suggestions, please email me at: helmit41@gmail.com. News is always welcome!

Area 3: Representative Needed

Please contact Alicia Weber, 210-383-1576 (voice or text).

Area 5: Jesse Walker, 512-952-1658

Spring! The season of beautiful weather, flowers and festivals, it always brings us lots of joy. Most of the front yards in our area are beginning to fill with colorful and beautiful flowers. I'm sure it will be hard for the Yard of the Month Judges to pick a winner!! For those of you who have not joined by paying your annual dues, please do so, remember, \$50 a year can go a long way to keep our community safe and beautiful, but it cannot be done without your participation. There are a lot of ways to get involved and give back to Northern Hills, please check our website, www.northernhillsconnect.com for information about volunteer opportunities, the HOA different services, activities and much more! New in Area 5? Please contact me! I would love to personally welcome you and your family to this fabulous neighborhood!

Area 7: Jasmine Meme, 210-380-7918

Dear Area 7 residents,

My family hopes that this monthly newsletter finds you well and in good health. Can you believe that it's Spring already? A big THANK YOU to every household who has turned in their voluntary \$50 annual dues, if you haven't yet, there's not a time limit. What are the annual dues used for? Well, the newsletter in your hands is one, we have partnered with an agency that delivers a newsletter to every household in Northern Hills. If your neighbor is not getting a newsletter, please contact your area representative. It's a great conversation starter and a way to get to know your neighbor. If you are new to Northern Hills contact your area representative for a welcome packet. You can also place an ad in the newsletter or our website and get support from your neighbors. The 7 entrances we have in our neighborhood are also maintained by a private contractor that we pay with your voluntary dues. The lights at the entrances are also paid for by your generous contributions. Our website www.northernhillsconnect.com is also maintained by your

donations. The list goes on and on - the Northern Hills board does not have any paid employees, we are all volunteers who take a lot of pride in our neighborhood. With the warmer weather, please be mindful of your pets, we ask you not to let them go outside and bark all day long. They belong inside with the rest of the family. Some of your neighbors might be suffering from PTSD. You can always call 311 for assistance or our SAFE Officer, Gregory Warrington (210) 207-5185.

Area 9: Kathy Green, 210-627-0153 / Jessie Ong, 210-860-5076

There are approximately 3 miles of pavement and sidewalks, including alleys in Area 9. It is suitable for walking, offering opportunities to meet neighbors and providing healthy exercise.

Association membership dues are \$50 per year. In 2024, 29 members in the area paid their dues. Increasing participation is encouraged. NHHA needs support from all residents. Dues fund mowing and trash pickup on Uhr Lane between Clear Lake and Hilton Head, as well as the seven entrances into the subdivision. Other expenses include postage, utilities, garage sale advertisements, cleanup supplies, website maintenance, replacement signage, and more.

Constant Contacts emails are available for all Northern Hills residents. Send your name and email to Jan Kirby at jsk1965@att.net for Northern Hills reminders and updates (3-5 emails monthly).

Upcoming Events: May 3rd: Neighborhood Garage Sales (Saturday). Please reach out to me by May 1st if you wish to have your sale included on the maps available at seven entrances.

May 10th: Neighborhood Clean-Up (Senior Center, 9am-noon). Volunteers: If you can't go to the Senior Center, please clean up trash on your street!
