Mayor's Message

Dan Reese

Welcome to the beginning of summer! In May, we will celebrate Cinco de Mayo (5th of course), Mother's Day (11th) and Memorial Day (26th).

The Parade Where Fiesta Began – Battle of Flowers. – May 2, 2025 Last month I put some Fiesta dates in my article, but missed arguably the most important event – the Battle of Flowers Parade. The Battle of Flowers website notes that since 1891, the Battle of Flowers Parade has been the pinnacle of San Antonio's Fiesta celebration. A group of civic-minded women conceived the idea of a parade in front of the Alamo to honor the heroes that fought for Texas Independence. The Grand Marshals for this year's parade are the Josh Abbott Band. The Parade continues to be produced by women, all volunteers, who honor the legacy of their forebears.

Hiring and Projects

City Manager – The Council will select an executive search firm to conduct the process of identifying the next City Manager. After the firm is selected, they will take applications, review the qualifications of applicants, and provide the City Council recommendations on the candidates to consider. The City Council will then make decisions on interviews and make the final appointment of our new City Manager. We don't have a timeline, but I'm hopeful that process will be complete in June or July. At this time, our Finance Director, Natalia Witmer, is acting in the dual capacity of Finance and Interim City Manager and doing an excellent job.

Police Chief – The Council approved a team to do the initial screening of the Police Chief applicants. The team consisted of two active Police Chiefs from neighboring cities, two citizens, and a Department Head from Windcrest. That team screened the applicants and then conducted interviews. The result will be a recommendation to the Council. The Council will then probably conduct their own interviews and make a decision. I would expect that process to be completed early in May. In the meantime, Interim Police Chief David Ellis is doing a fine job keeping the police department headed forward.

Windcrest International Business Park – That project is moving forward. There was a delay because of some challenges with a major sub-contractor. A new sub-contractor is coming on board, and we expect the progress to continue. The pace of the project has been slower than we would have desired, but the fact that we have someone in the building after the sudden departure of Rackspace is a big win for Windcrest. There is positive movement on some of the other pad sites on that property. Just south of the property, Burger Boy is nearing completion.

FY 25/26 Budget – Your City Staff began the process of drafting a budget for FY 25/26 in March. There are going to be some challenges. With the departure of Rackspace, our sales tax revenue dropped significantly. The relatively short time frame it took to get a new owner was very encouraging, but it is going to take some time to rebuild the revenues. It is not just the Rackspace property; sales taxes are down across the board. I'm confident that with the development of the Rackspace (now ICP) property, we will rebound, but it will take time. The staff and the City Council have always been diligent with your taxpayer dollars, and this year will be no different; it will just be a little leaner than normal. We will continue to provide plenty of opportunities for citizen input into the budget. In addition to meetings, you may participate in the Budget survey by going to the City website or going to: <https://www.surveymonkey.com/r/D6JJWR2>.

"Coffee with the Mayor" happens every Saturday that I am in town. Please see my Facebook page (Dan Reese, Mayor, City of Windcrest) for updates. We begin at 8:30 A.M. at Las Palapas on Walzem. You are welcome to come anytime you wish and leave as you choose to. Coffee is on me!

"Life is like riding a bicycle. To keep your balance, you must keep moving."

Code Enforcement & Compliance

By Daniel Fox,
Police Code Compliance Agent

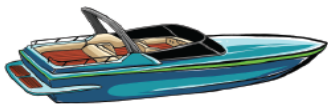

I hope everyone is enjoying all the beautiful blooming flowers. While everyone is out working in the yard, please keep in mind to remove any clutter that snakes may be able to hide underneath. Reminder to also clean your backyard. I encourage everyone to cut their grass and keep the bushes trimmed off the roadways and sidewalks. If you have not done so, fine tune your mowers and other tools necessary for keeping up with your property. Please keep up with lawn maintenance, pool maintenance, alley improvements and tree trimming. Also check on all fencing and gates leading into your swimming pools.

If you missed brush pickup! You are responsible for the disposal of excess materials. Reminder, residential garbage, waste, and refuse placed outside for pickup shall be stored in a durable metal or hardened rubber container with a tightly sealed insect-proof and animal-proof lid. The only trash bags allowed on the curb are for the disposal of leaves, grass trimmings or other items. NO food-based products please. Reminder: It is illegal to blow your leaves onto the street and leave them there.

If you need any assistance or want to report a violation of the Windcrest City Code, Please contact your Code Enforcement Officer via the Windcrest Police Department Dispatcher at 210-655-2666 or submit a Report a Concern through the form found on our website.

Community Engagement in Economic Development: How You Can Help Windcrest Grow

Economic growth isn't just about businesses—it's about people. A thriving local economy benefits everyone, and in Windcrest, residents play a vital role in shaping our city's future. You can make a significant impact by engaging with local businesses, supporting development initiatives, and helping to promote Windcrest.

One of the easiest ways to contribute is by helping us spread the word about Windcrest. Social media is a powerful tool—when you like, share, and comment on posts from the Windcrest Economic Development Corporation (WEDC), you help showcase our city to potential businesses and visitors. Tagging friends or favorite local businesses in posts amplifies our reach, attracting more interest to our growing community.

Beyond social media, residents can support economic development by shopping locally, attending city events, and participating in public meetings. Your input matters—when the community is engaged, businesses take notice, and investors see Windcrest as a desirable place to grow.

Together, we can build a vibrant economy that supports new opportunities and enhances our quality of life. Join us in promoting Windcrest and making our city the best place to live, work, and do business!

A MESSAGE FROM FIRE INSPECTOR, TIM ZELENAK

The popularity of electric bikes and electric-scooters (E-Bikes and E-Scooters) has taken off over the past few years. Lithium-ion batteries are usually the source of power for both, and if not used correctly, or if damaged, these batteries can catch fire or explode. Whether you use E-Bikes or E-Scooters as your main form of transportation or just for fun, there are important safety tips to keep in mind when charging or storing these devices.

The Problem:

- Damaged or defective batteries can overheat, catch fire or possibly explode.
- Lithium-ion battery fires give off toxic gases and they burn extremely hot.

Safety Tips:

- Only purchase and use devices, batteries, and charging equipment that are listed by a nationally recognized testing laboratory and labeled accordingly.
- Always follow the instructions from the manufacturer.
- Only use the battery and the charger that were designed for, and came with, the device.
- Do not keep charging the device or device battery after it is fully charged.
- Only charge one device or device battery at a time to prevent overloading the circuit.
- Keep batteries at room temperature when possible. Do not charge them at temperatures below 32° F or above 105° F.
- Do not store batteries in direct sunlight or inside hot vehicles and keep them away from children and liquids.
- Store E-Bikes, E-Scooters and batteries away from exit doors and anything that can get hot or catch fire.
- Only have device repairs performed by qualified professionals.
- Do not put lithium-ion batteries in the trash. Recycling is always the best option.

Local Places to Recycle Lithium-ion batteries:

- Batteries Plus Bulbs, 1242 Austin Hwy. Suite 104 - (210) 598-0003
- Interstate Battery Store, 8143 Agora Pkwy. - (210) 566-7702

Signs of a Problem:

- Stop using the E-Bike or E-Scooter if you notice any of these problems with the battery: unusual odor, change in color, too much heat, change in shape, leaking, smoking or not keeping a charge.

IF YOU SEE A FIRE...leave the building immediately (2) Don't try to fight the fire (3) Call 9-1-1.

Community First POLICE DEPARTMENT

By David Ellis
Interim Windcrest Chief of Police

May 11 - 17, 2025

What is National Police Week?

In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

The Windcrest Police Department will be holding a ceremony on Thursday, May 15th. We will post the details of the event on our Facebook Page as we get closer. We hope to see everyone there.

As of this writing, April 4th, 2025, in the United States we have had 19 Line of Duty Deaths. Last year we had 165. Over the last 5 years we have had 1,805. Over the last 10 years 2,709. And we have had 26,935 Line of Duty Deaths for all time. The source of this information comes from the Officer Down Memorial Page located at <https://www.odmp.org/>.

Just as a reminder, the primary causes of vehicle break-ins are vehicles being left unlocked and leaving valuables in a vehicle that are in plain sight. Help prevent the crime of vehicle burglary by always ensuring your vehicle(s) are locked and no valuables are left in plain sight. Thank you for your continued support of the Windcrest Police Department!

WEARING THE WINDCREST BADGE

HIGHLIGHTING BADGE #702

Animal Control Officer Carrillo joined the Windcrest Police Department in May of 2024. He brings a wealth of Animal Control knowledge with many years working as an Animal Control Officers and a vet tech.

Officer Carrillo enjoys fishing when he is off duty.

F.D. News FIRE DEPARTMENT

By Ivan Hernandez
Windcrest Fire Chief

Fire Safety Myths: Separating Fact from Fiction

At the Windcrest Fire Department, keeping you safe is our top priority. Unfortunately, there are many myths about fire safety that can put you and your loved ones at risk. Let's clear up some common misconceptions and make sure everyone is prepared in case of an emergency.

Myth #1: "If there's a fire, I have plenty of time to escape."

Fact: A fire can spread rapidly, leaving you with only two minutes or less to get out safely. Always have an escape plan, practice it regularly, and ensure that everyone in your home knows what to do.

Myth #2: "Smoke alarms only need to be checked when they beep."

Fact: If your smoke alarm is beeping, it's already too late—it means the battery is low or the alarm has detected smoke. Test your alarms once a month and replace the batteries at least once a year to ensure they are always working.

Myth #3: "Water can put out all types of fires."

Fact: Water can make some fires worse, especially grease and electrical fires. If a grease fire starts, turn off the heat and cover the pan with a lid. For an electrical fire, unplug the device if safe to do so and use a Class C fire extinguisher.

Myth #4: "Fire sprinklers will flood my entire home if triggered."

Fact: Fire sprinklers are designed to activate individually, meaning only the sprinkler closest to the fire will go off. This helps contain the fire quickly while minimizing water damage.

Stay Fire-Smart!

Fire safety starts with awareness and preparedness. Take time this month to review your emergency plans, check your smoke alarms, and teach your family what to do in case of a fire.

ANIMAL CARE & CONTROL

By ACO Mike Carrillo

This is Joy. She is a playful pup full of energy and ready for a forever home. If you would like to adopt her, give us a call at 210-655-2666. Check out the city website or come to our local adoption events to see the animals we have available. All dogs that are available for adoption are current on vaccines, spayed/neutered, and have no adoption fees. Also, we need fosters. If you would be willing to foster a dog, please contact us. We have dogs that need home experience and only you can provide that need.

Please remember to register your pet with the city. When registering, please ensure that you have proof of rabies vaccination, proof of sterilization, and microchip information.

The weather is getting warmer. Please keep yourselves hydrated and your pet too!

TRAP: Humane traps

STERILIZE: Take the cats in their traps to a veterinarian or clinic to be spayed or neutered, vaccinated, and ear-tipped.

RETURN: After the cats have recovered from surgery, return them to their outdoor homes where they were trapped.

Trap-Neuter-Return is the humane and effective approach for stray and feral cats. Now in practice for decades in the US, after being proven in Europe, scientific studies show that Trap-Neuter-Return improves the lives of feral/community cats, improves their relationships with the people who live near them, and decreases the size of colonies over time. That's why the number of municipalities that officially endorse this approach increased tenfold between 2003 and 2013. Grounded in science, TNR stops the breeding cycle of cats and therefore improves their lives. It is a fact that the removal and killing of outdoor cats is not effective. Since feral cats are not adoptable, they are killed in pounds and shelters. Windcrest adopted the TNR program in 2009. Since then, more and more people have stepped up to be a part of that solution by offering to be cat caregivers. That means monitoring the group of cats by making sure they have food and proper care. It is spending time and resources to trap, transporting the cat to a clinic for the sterilization & rabies shot and then providing the care necessary while the cat recovers. After recovery, the cat returns to its area where trapped.

And we have another hero story!!! One of our members moved to a new community and through her efforts, started a TNR group who is now trapping in her new neighborhood.....more cats are cared for and have a much better life. Always good to know there are folks out there that care!!

CELEBRATING THE HEART AND BACKBONE OF OUR CITY

Each May, we come together to recognize two groups essential to the success and well-being of our city: our municipal clerks and public works professionals.

During the first full week of May, we celebrate Municipal Clerks Week, honoring the dedicated clerks who serve as the vital link between residents and their government. Municipal clerks are responsible for preparing agendas, managing public records, overseeing local elections, issuing permits, and ensuring transparency and accessibility. Often the first point of contact for residents, they embody professionalism, trust, and service. The role of clerk dates back to ancient civilizations, and in 1969, the importance of this position was nationally recognized with the establishment of Municipal Clerks Week by the International Institute of Municipal Clerks (IIMC). Despite working largely behind the scenes, clerks play a critical role in maintaining open, accountable, and efficient local government.

Later in May, from May 18–24, we celebrate National Public Works Week, honoring the hardworking professionals who keep our city safe, clean, and running smoothly. Public works employees maintain streets, parks, and public spaces; oversee waste collection; and manage infrastructure repairs—essential services that enhance the quality of life for all residents. This year's theme, "Advancing Quality of Life," highlights how public works professionals are continuously working to improve our communities, support public health and safety, and foster economic growth.

Both our Public Works Department and our Municipal Clerks demonstrate an unwavering commitment to service, professionalism, and community. Their efforts not only meet today's needs but also lay the foundation for a stronger, more sustainable future.

Please join us in expressing gratitude to our Municipal Clerks and Public Works teams for their hard work, dedication, and invaluable contributions to our city!

March always has a myriad of events, from ever-changing weather patterns, the beginning of Spring, St. Patrick's, and daylight savings time. Likewise our Garden Club began the month with another

successful evening meeting, held at Giuseppe's restaurant (5121 Crestway) on March 4th. It was a wine mixer, dinner included, attended by about 32 club members, organized by V.P. John Miranda, treasurer Mary David, and Wendy and Narquiz.

Our guest speaker, Luis Valdez (see you tube channel, Orchid Whisperer) brought a variety of his prize winning orchids, with such exotic names as Phaleanopsis and Cymbidium. And to conclude the month, the Garden Club had two table setups at the Windcrest Community Social on March 28th at the Civic Center. Our outdoor table was hosted by David, Rose, and Kitty. Adults and children participated in potting soil and seeds into a makeshift take-home pot. Indoors, our main table was tended by Annette, Mary David, and Narquiz, and membership forms, cookies, and visual samples of past make-and-take activities were on display. March also proved to be a busy month as members worked to organize the April 5th plant sale at the Methodist Church parking lot and the Lavender Farm Field trip on April 8th. As you can see, our Garden Club is a dynamic group of individuals that puts on great events, learns a bit about plants along the way, and helps promote the beauty of nature. Join us !!

Making Dreams a Reality

LIONS CLUB NEWS

By Lion Tim Flick

The Lions Club is the largest Civic Service Club in the world, with over 1.4 million members in approximately 46,000 clubs in more than 200 countries and geographical areas around the world. The Windcrest Lions Club is very active and does a lot of great work in our community:

- providing dictionaries to local 3rd graders
- providing school supplies to area elementary school teachers conducting drug and diabetes awareness campaigns
- sponsoring the peace poster contest for our local middle school
- feeding the local homeless
- sponsoring the Roosevelt High LEO club
- building personal energy transports (PET) that get sent to the needy around the world
- helping the blind and hearing impaired
- supporting the Texas Lions Camp for medically challenged kids

To raise money to fund our efforts, we hold a few fundraisers each year:

- sausage/pancake breakfast (usually at the end of February)
- chili/cornbread dinner (usually at the beginning of November)
- holiday greenery sales (during the month of November)
- online auctions (all year round as we have items to put up for auction)
- Windcrest community garage sale (usually during the spring)

We are always looking for men and women to join our club and would love to meet you! We hold our meetings at the Windcrest Civic Center on the 2nd and 4th Tuesday of each month from 6:30 PM to 7:30 PM. If you would like to attend a meeting, and be a part of the goodness, please reach out to our membership chair at tkflick@gmail.com, or contact us at 210-951-9463. Follow us on our Facebook page at www.facebook.com/WindcrestLions.

The Power of the Poppy: A Symbol of Remembrance 100 Years On and Growing Still

The words below written by Lieutenant-Colonel (LTC) John McCrae, a Canadian physician during First World War (WWI) still echo in the hearts of millions around the world. His poem, "In Flanders Fields", has now not only become one of the most quoted poems but has also given rise to the poppy as a symbol of the sacrifices of Service Members.

The vibrant red poppy takes center stage in this poem, in the backdrop of a war-torn Europe, from the voices of Allied Soldiers who paid the ultimate sacrifice. The imagery of the poppy growing amongst the graves of our fallen quickly became a popular symbol in the early 1920's.

In the United States the poppy is traditionally worn on the Friday before Memorial Day, which is National Poppy Day, to honor the fallen and support veterans.

Janine M. Harper, James McHenry Member and US Veteran

Our Chapter will be passing out poppies at the Memorial Day Service at Ft. Sam Houston National Cemetery. JOIN US!

"In Flanders Fields"

by Col. John McCrae,

In Flanders Fields The poppies blow
Between the crosses row on row
That mark our place; and in the sky
The larks, still bravely singing, fly

Scarce heard amid the guns below.
We are the dead, short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved and now we lie
In Flanders Fields.

Take up our quarrel with the foe
To you, from failing hands, we throw
The torch, be yours to hold it high.
If ye break faith with us, who die
We shall not sleep, though poppies grow
In Flanders Fields.

WORLD ART DROP DAY™

TUESDAY, SEPTEMBER 2, 2025

****CALLING ALL WINDCREST CREATIVES****

World Art Drop Day happens every first Tuesday of September. The project is the brainchild of Utah illustrator Jake Parker to help people feel more connected to one another and create bonds between strangers through creating and giving away art.

Art dropping consists of artists of all ages and medias, hiding their craft – from sculpture, pottery, jewelry, photography, books to paintings, and even food freebies! Residents can embark on an art treasure hunt. If you're not an artist, you can participate by watching the City of Windcrest's social media channels and getting out there to find hidden art throughout the city!

INSTRUCTIONS:

- Create a piece of art.
- Drop it off at City Hall before September 1st.
- Follow **The City of Windcrest's** social media.
- On September 2nd we will hide art around the city at different times of the day. We will post the hiding spots on **The City of Windcrest's** social media.
- Go find the art based on the clues we post.
- If you find a piece of art, it's yours to keep!
- Take a picture of you and the art. Post it online, tagging **The City of Windcrest.**
